2017 SCCCLD Sponsor Agreement Form

We are pleased that you have agreed to be one of our sponsors. SCCCLD has created this simple agreement with our sponsors and would appreciate if you would read and fill out the following:

SCCCLD seeks to provide attendees, sponsors and speakers a well-designed conference experience. We will:

- Advertise and promote your sponsorship and the value of this conference both locally and nationally with our growing contact base and marketing tools.
- Provide visibility of your organization/logo through our website and newsletters.
- Hang a banner or sign of your organization in the conference venue, if you have one you would like to share.
- Acknowledge your organization from the podium on day of conference.

Sponsors can assist in the success of their brand and the conference. We ask that you:

- Make a $150.00 donation to SCCCLD in order to become a sponsor.
- Share the conference information through your own newsletters, with your friends and your email lists. For example, you are welcome to forward any and all of the conference newsletters as they arrive in your email. Please include this web address in your communications http://www.consciouslivingdying.org/ so people can find us and you. Promotion, as you know, is a collaborative effort.
- Let us know if you plan to have a banner or sign at the conference so we can plan ahead.
- Be aware that having a vendor table *($140.00, includes table & one registration ticket)* is also an option and adds to the value of your sponsorship.
- Provide us with a contact person that we will be working with.
- Fill out the form below so that we know all your contact information and what your needs entail.
